Addoli Duw | Tyfu'r Eglwys | Caru'r Byd

Worshipping God | Growing the Church | Loving the World

Hydref 2016 October

Neges gan Richard ❖ Richard's Message

Dw i'n ysgrifennu hwn y bore ar ôl dringo'r Wyddfa. Fy mysedd yw'r unig ran ohonof nad yw'n boenus! Roedd y tywydd ar y copa yn glir ac yn ddistaw. Cyflyrau perffaith - ac yr oedd yn ogoneddus.

Ond weithiau, pan fyddoch yn dringo mynydd, chewch chi ddim eich gwobrwyo gyda golygfa wych. Mae'n teimlo fel dim ond gwaith caled ydyw. Cofiaf, a minnau yn ddeunaw oed, ddringo Cerro Chirripó yng Nghosta Rica. Elwir un o'r llethrau *Bryn Edifarhad!*

Hyd yn oed dan gysgod niwlog, bydd y copa dal yn bwynt uchaf y fro. Efallai yr oeddem yn disgwyl rhywbeth gwahanol, ond nid ni pia'r hawl i'w newid.

Heddiw mae hi'n dair blynedd ers creuwyd Bro Madryn! Rydym wedi dringo rhai godrefryniau a dod ar draws ein cyfran deg o niwl - ond beth mae Duw wedi'w baratoi ar ein cyfer ar y copa? A ydych chi'n barod i ddringo'n bellach?

I'm writing this the morning after climbing Snowdon. My fingers are the only part of me which isn't aching! The weather at the summit was clear and the wind wasn't very strong. Perfect conditions – and it was glorious.

But sometimes, climbing a mountain doesn't reward you with a great view. It feels like it's just hard work. I remember, aged 18, climbing Cerro Chirripó in Costa Rica. One of the slopes is, very aptly, called the *Hill of Repent!*

A mountain-top might be shrouded in mist, but it's still the highest point around. It might not be what we wanted or were expecting but it's not ours to change.

Today is also three years since Bro Madryn was created! We've climbed some foothills and encountered our fair share of mist and fog – but what might God have waiting for us at the top? Ready to climb some more?

Gyda phob bendith, 

DIOLCHGARWCH & HARVEST
